MASTERING THE DETAILS

our commitment to excellence is embodied in our technical specifications. We leave no detail to chance when it comes to creating tiles that meet the highest standards. Our technical specifications are a testament to our dedication to precision, quality, and innovation. We understand that your projects demand nothing less than perfection. That's why our technical specifications are designed to exceed even the most stringent requirements.

INFINITE

COLLECTION

**IT'S TIME TO GIVE A REFRESHING
TWIST TO YOUR SPACES WITH A
CLASSIC STYLE OF THE TERRAZZO
COLLECTION.**

The endless marble-ect range of products, now available in the 600x1200mm (2'x4') offers a perfect blend of classic and contemporary appeal, as well as guaranteeing a variety of solutions to bring a beautifully rigorous, sophisticated touch to all kinds of public and private environments.

MAKE LIFE WORK OF ART

Hidden away in the varied, multi-faceted appeal of granite are stories from the past and present, pulsating with life. A fine line separates the artificial from the natural, when light spreads through and leaves its mark on surfaces strongly bonded with the living styles of the future. The inspiration comes from two granites of Brazilian origin: the distinctive blue of Azul Bahia and the deep black of Via Lattea, both crossed through by white-veins and with a small-medium grain. The other colours start out from the black, gradually shifting through dark and light grey to white.
